

2017 Space Coast Prayer Breakfast

The Space Coast Prayer Breakfast, now it's 5th year, is a county-wide outreach that was first envisioned by our Congressman Bill Posey, and with a mission to awaken the hearts of the Space Coast to turn their focus to the Lord...in their lives, their families, at work, and in their communities.

Every year, the event has been a "sold-out" capacity crowd event with nearly 300 from industry, government, community, church, healthcare and education leaders coming together, in one accord, to pray specifically for the businesses, leaders and residents of Brevard County.

Won't you please consider becoming a Sponsor for the Space Coast Prayer Breakfast? The three sponsorship levels are defined in the attachment. Please feel free to visit us at www.spacecoastprayerbreakfast.org or call us at 321-426-7435 for more information.

We sincerely appreciate your participation to help make the 2017 Space Coast Prayer Breakfast another sold-out event!
